

NODDY PLAYGROUP

A loving, warm, and caring community for early-year children since 1978

OUR MISSION

To provide a **happy and purposeful environment** for pre-school children, thus enabling them to adjust to the changed environment away from home and parents for a short period each day and to learn **social skills** with their own peer groups. We aim at directing their **imagination** and encouraging their **practical ability** in such a way as to give them **self-confidence** and eager anticipation of their future at “Big School”!

OUR UNIQUENESS

- **Children-centric:**
 - Carefully designed **building and all facilities** to suit preschoolers to make them feel cozy and secured.
 - Focus on developing **the right attitude towards learning** as the foundation of their life.
 - **Joint assembly** in the garden every morning, where children raise the flag, sing good morning song or Noddy song or happy birthday song to start the day happily together.
- **Caring staff:**
 - **A smiling and friendly welcome** on arrival with one of the teacher assistants waiting to escort each child to his/her classroom.
 - **Approachable teachers** who are
 - always willing to give advice to parents about raising up their children.
 - paying attention to what children would like to communicate verbally and non-verbally.
 - encouraging children to express their opinions with respect to others, so that they will grow up with **a friendly and helpful attitude** towards each other.
- **Small classes:** Maximum 12 children for Nursery and K0 classes and 15 in all other groups.
- **Free Play Periods:** Children can enjoy a big lawn. They will be observed, but not directly supervised as it is at this time that they learn to socialize and to use their imagination.

OUR CURRICULUM

NODDY applies the Early Years Foundation Stage (EYFS), a British curriculum, and scales it down to suit the younger children with emphasis on **Free-Flow-Play** method where children will choose their own activity of interests and while teachers carefully accommodate, observe, and guide them throughout the activities. This method is widely applied in the UK Pre-schools and proved to **best broaden children’s imagination, creativity, and self-confidence**. All activities are conducted in English language.

OUR CHILDREN

Children of any nationality are accepted from 1.5 to 6 years old.

To determine your child's age group, the Cut-Off birth date is 1st September.

- Nursery (Sunbeam) Rising 2's
